

New scholarship student for 2015 From A.D.W.middle school 1st project.

Name: R. Ramesh

Age: 13

Fathers Name: Rajendran

Mothers Name: Valarmathi

Occupation of the father: working in tea shop making tea. His mother is home maker living at home.

Siblings: he got two brothers one older and one younger both of them are our project students older one is studying 10th std our former student and younger one is our student studying 5th std.

Family Backround: his parents are good but not able to help him for higher studies because his father is only working and he got very less salary for helping 3 children.

Behaviour of the scholarship boy; He is very good in behaviour with friends as well teachers and mainly He is our regular student. His hobbies is also drawing and we can say he will become very good artist because he can draw the pictures very nicely. He is very good dancer as well he danced many programme at school.
